7.7.71 Official Journal of the European Communities No L 151/25

REGULATION (EEC) No 1438/71 OF THE COMMISSION

of 6 July 1971

further amending the Annex to Regulation No 451/67/EEC determining the quantity of potatoes required for the manufacture of 100 kg of starch

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC[1] of 13 June 1967 on the common organisation of the market in cereals, as last amended by Regulation (EEC) No 2434/70[2];

Having regard to Council Regulation No 371/67/EEC[3] of 25 July 1967 fixing production refunds on starches and quellmehl, as last amended by Regulation (EEC) No 2273/70,[4] and in particular Article 5 thereof;

Whereas Council Regulation (EEC) No 1120/71,[5] of 31 May 1971 fixing the threshold price for cereals for the 1971/72 marketing year fixed the threshold price for maize at a higher level than that which was operative for the 1970/71 marketing year; whereas, pursuant to Article 1 (1) of Regulation No 371/67/EEC, this increase has resulted in an increase in the amount of the production refund on maize for starch manufacture; whereas, in accordance with paragraph 2 of that Article, the production refund granted per 100 kg of potato starch is equal to the refund granted for the quantity of maize necessary for the manufacture of 100 kg of starch;

Whereas in the Annex to Regulation No 451/67/EEC,[6] as last amended by Regulation (EEC) No 1354/69,[7] the amounts of the production refunds granted per 100 kg of potatoes and the amounts of the minimum price to be paid to the potato producer should therefore be adjusted to the increase in the threshold price, since, in accordance with Article 3 of Regulation No 371/67/EEC, that price includes the amount of the refund;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals;

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to this Regulation shall be substituted for the Annex to Commission Regulation No 451/67/EEC of 4 August 1967 determining the quantity of potatoes required for the manufacture of 100 kg of starch.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 6 July 1971.

For the Commission

The President
