30.9.71 Official Journal of the European Communities No L 220/3

REGULATION (EEC) No 2078/71 OF THE COUNCIL

of 27 September 1971

amending Regulation (EEC) No 1852/69 laying down general rules for the supply of skimmed-milk powder to the World Food Programme and the International Committee of the Red Cross

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68[1] of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 1261/71[2], and in particular Article 7 (4) thereof;

Having regard to the proposal from the Commission;

Whereas Article 1 (3) of Regulation (EEC) No 1852/69[3] provides that 120 000 metric tons of skimmed-milk powder is to be made available to the World Food Programme and 3000 metric tons to the International Committee of the Red Cross within two years, i.e. before 10 October 1971;

Whereas it is planned to extend to 30 June 1972 the delivery dates originally fixed in the Agreements between the European Economic Community and the World Food Programme and between the Community and the International Committee of the Red Cross on the understanding that in each case the two parties have the option of fixing a further time limit by common consent;

Whereas, this being so, it seems advisable to abolish the time limit fixed in Article 1 (3) of Regulation (EEC) No 1852/69,

HAS ADOPTED THIS REGULATION:

Article 1

Article 1 (3) of Regulation (EEC) No 1852/69 is hereby repealed.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 September 1971.

For the Council
The President
