No L 83/48 Official Journal of the European Communities 8.4.71

REGULATION (EEC) No 756/71 OF THE COMMISSION

of 7 April 1971

amending Regulation (EEC) No 2005/70 on the classification of vine varieties

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 816/70[1] of 28 April 1970 laying down additional provisions for the common organisation of the market in wine, as last amended by Regulation (EEC) No 2612/70,[2] and in particular the second subparagraph of Article 16 (1) thereof;

Whereas Commission Regulation (EEC) No 2005/70[3] of 6 October 1970 on the classification of vine varieties was adopted taking into account the provisions and criteria of Council Regulation (EEC) No 1388/70[4] of 13 July 1970 on general rules for the classification of vine varieties, as amended by Regulation (EEC) No 608/71[5];

Whereas, for the sake of completeness, certain varieties traditionally used for the production of grape spirits should be added to the lists of varieties for special uses appearing under Title III of the Annex to Regulation (EEC) No 2005/70;

Whereas the Italian Republic has requested that the root stock varieties for its territory should be classified in accordance with the second subparagraph of Regulation (EEC) No 1388/70;

Whereas the period of validity of Title II of the said Annex ends on 31 August 1971 because it includes, for a transitional period, a variety of table grape used in the canning industry not governed by the common quality standards for table grapes; whereas, following the amendment made to Regulation (EEC) No 1388/70, this vine variety may henceforth be classified under Title III relating to varieties for special uses;

Whereas various points in the Annex to Regulation (EEC) No 2005/70 need further clarification;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Wine;

HAS ADOPTED THIS REGULATION:

Article 1

Article 2 (2) of Regulation (EEC) No 2005/70 is hereby repealed.
