29.6.72 Official Journal of the European Communities No L 147/7

REGULATION (EEC) No 1336/72 OF THE COUNCIL

of 27 June 1972

amending Regulation No 876/67/EEC introducing an additional subsidy for colza and rape seed processed in Italy

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty estabslishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC[1] of 22 September 1966 on the establishment of a common organization of the markets in oils and fats, as last amended by Regulation (EEC) No 2727/71,[2] and in particular Articles 3 (2) and 36 thereof;

Having regard to the proposal from the Commission;

Whereas Regulation No 876/67/EEC,[3] as last amended by Regulation (EEC) No 1052/71,[4] also provides for an additional subsidy for the 1971/72 marketing year in order to lessen certain difficulties encountered in Italy in the oil seed crushing industry;

Whereas an examination of the causes of these difficulties and of production conditions in the Community, account being taken of the development prospects of the market in seeds, shows that the additional subsidy should be maintained for the 1972/73 marketing year, but at a different rate;

Whereas Article 3a of Regulation No 876/67/EEC provides for the setting up of a system of import licences for certain oils and fats in Italy for the 1968/69 marketing year; whereas the reasons for the retention of that system still hold; whereas the system should therefore be continued for the 1972/73 marketing year;
