4.8.72 Official Journal of the European Communities No L 177/3

REGULATION (EEC) No 1675/72 OF THE COUNCIL

of 2 August 1972

fixing aid for seed for the 1972/73 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 2358/71[1] of 26 October 1972 on the common organization of the market in seeds, and in particular Article 3 (3) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas for certain seeds listed in the Annex to Regulation (EEC) No 2358/71 which will be marketed during the 1972/73 marketing year, the situation on the Community market and its foreseeable development do not guarantee a fair income to producers; whereas part of their production costs should be offset by aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 lays down that such aid must be fixed taking into account the need to ensure a balance between the volume of production required within the Community and the outlets for such production, and also the prices for the products in question on external markets;

HAS ADOPTED THIS REGULATION:

Article 1

For the 1972/73 marketing year, the aid referred to in Article 3 of Regulation (EEC) No 2358/71 shall be as shown in the Annex.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

It shall apply from 1 July 1972.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 2 August 1972.

For the Council

The President

T. WESTERTERP
