28.12.72 Official Journal of the European Communities No L 291/9

REGULATION (EEC) No 2710/72 OF THE COUNCIL

of 19 December 1972

fixing the producer price of tunny intended for the canning industry for the 1973 fishing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Regulation (EEC) No 2142/70[1] of the Council of 20 October 1970 on the common organisation of the market in fishery products as last amended by the Act[2] annexed to the Treaty concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 15 (5) thereof;

Having regard to the proposal from the Commission;

Whereas Article 15 (4) of Regulation (EEC) No 2142/70 provides that a Community producer price shall be fixed for the tunny intended for the canning industry;

Whereas the Community producer price of tunny intended for the canning industry was fixed for the first time by Regulation (EEC) No 169/71[3]; whereas this price was reintroduced for the 1972 fishing year by Regulation (EEC) No 2657/71[4];

Whereas the average of prices recorded for the last three fishing years according to the detailed rules laid down in Article 15 (4) of Regulation (EEC) No 2142/70 has increased; whereas therefore a new price for the 1973 fishing year should be fixed,

HAS ADOPTED THIS REGULATION:

Article 1

The Community producer price of tunny intended for the canning industry and the product to which it relates are fixed as follows:

Product	Commercial specifications	Community producer price (in u.a./t)
Yellow-finned Tunny	whole, not weighing more than 10 kg	525

This price shall be valid until 31 December 1973.

Article 2

This Regulation shall enter into force on 1 January 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 December 1972.

For the Council

The President

P. LARDINOIS
