30. 12. 72 Official Journal of the European Communities No L 296/91

REGULATION (EEC) No 2767/72 OF THE COUNCIL
of 19 December 1972

establishing in respect of certain products falling within Chapters 1 to 24 of the Common Customs Tariff a scheme of generalized preferences in favour of developing countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1059/69 (1) of 28 May 1969 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products, and in particular Article 12 thereof;

Having regard to the proposal from the Commission;

Whereas, within the context of UNCTAD, the European Economic Community offered to grant tariff preferences on certain processed agricultural products of Chapters 1 to 24 of the Common Customs Tariff which originate in developing countries; whereas the preferential treatment proposed in that offer consists, in respect of certain goods which are subject to the trade arrangements laid down in Regulation (EEC) No 1059/69, of a reduction in the fixed component of the charge applicable to such goods by virtue of that Regulation, and, in respect of products which are subject to the single customs duty, of a reduction in such duty; whereas preferential imports of the products concerned could be effected without quantitative restrictions.

Whereas the offer made by the Community includes a clause stipulating that the Community drew up the offer on the assumption that all the main industrialized countries which are members of the OECD would participate in granting preferences and would make similar efforts in this direction; whereas, moreover, it is evident from the conclusions worked out in UNCTAD that this offer, while being of a temporary nature, does not constitute a binding commitment and, in particular, may be withdrawn wholly or in part at a later date; whereas this possibility may be adopted *inter alia* with a view to remedying any unfavourable situations which might arise in the associated countries following the implementation of the generalized preference scheme;

Whereas tariff preferences have been applied as from the second half of 1971 under the conditions set out above and whereas these preferences should continue to be applied, *pro rata temporis*, until 30 September 1973;

Whereas it is expedient, therefore, that the Community should authorize the importation of the products referred to in Annex A, originating in the countries and territories listed in Annex B, subject to the customs duties given in respect of each of them throughout 1973; whereas the benefit of such preferential terms should be reserved for products originating in the countries and territories under consideration, the concept of 'originating products' being determined in accordance with the procedure laid down in Article 14 of Council Regulation (EEC) No 802/26 (2) of 27 June 1968 on the common definition of the concept of the origin of goods;

Whereas measures should be provided for which will enable any serious disruption in any sector of the economic activity of the Community to be avoided; whereas, to this end, the Commission should be empowered to reintroduce partially or wholly the Common Customs Tariff duties in order that such disruption may be avoided;

Whereas the Commission must be able to have access to information concerning imports effected within the framework of generalized preferences; whereas, to this end, Member States are to inform the Commission every six months of imports actually effected, classified by origin;

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1973 Community imports of the products listed in Annex A shall benefit from the customs duties specified for each product.

(1) OJ No L 141, 12.6.1969, p. 1.

(2) OJ No L 148, 28.6.1968, p. 1.

2. The treatment provided for in paragraph 1 shall be enjoyed solely by products originating in the countries and territories listed in Annex B.

For the purposes of the application of this Regulation, the concept of originating products shall be determined in accordance with the procedure laid down in Article 14 of Regulation (EEC) No 802/68.

Article 2

When products benefiting from the treatment provided for in Article 1 are imported in the Community in such quantities or at such prices that Community producers of products similar to or in direct competition with them suffer or are likely to suffer serious disadvantage, the Common Customs Tariff duties may be reintroduced in whole or in part on the products in question in respect of the countries or territories which are the cause of the disadvantage. Such measures may also be taken in the case of actual or likely serious disadvantage in a single region of the Community.

Article 3

1. The Commission may decide, by means of a Regulation, to reintroduce the Common Customs Tariff duties for a specified period, in order to ensure that Article 2 is applied.

2. In the event of such action being requested by a Member State, the Commission shall decide within a period of not more than ten working days after the request has been received and shall inform the Member States of this decision.

3. Any Member State may refer to the Council the measure taken by the Commission, within a period of not more than ten working days after it has been informed thereof. Reference of the matter to the Council shall not suspend the measure. The Council shall meet immediately. It may, by a qualified majority, amend or rescind the measure in question.

Article 4

The provisions of Articles 2 and 3 shall not prejudice the implementation of the safeguard clauses adopted on account of the common agricultural policy under Article 43 of the Treaty and of those adopted on account of the common commercial policy under Article 113 of the Treaty.

Article 5

Member States shall inform the Commission every six months of imports effected by origin under this Regulation.

Article 6

This Regulation shall enter into force on 1 January 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 December 1972.

For the Council

The President
