29.3.72 Official Journal of the European Communities No L 76/25

REGULATION (EEC) No 628/72 OF THE COMMISSION

of 28 March 1972

making a second amendment to Regulation (EEC) No 1027/68 on the determination of prices for calves and adult bovine animals on representative Community markets

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68[1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 2838/71,[2] and in particular Article 10 (5) thereof;

Whereas Commission Regulation (EEC) No 1027/68[3] of 22 July 1968 on the determination of prices for calves and adult bovine animals on representative Community markets, as amended by Regulation (EEC) No 705/71,[4] listed the representative markets of each Member State for the various qualities of calves, adult bovine animals and the meat of these animals;

Whereas the list of representative markets for adult bovine animals in France, appearing in Annex II to Regulation (EEC) No 1027/68, should be amended to give a more accurate picture of the market for adult bovine animals in that Member State;

Whereas certain structural alterations in the market for adult bovine animals in Italy, Luxembourg and the Netherlands require appropriate adaptations to the qualities and weighting coefficients by quality and to the conversion coefficients in live weight used in the list of representative markets of these Member States;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal;

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to this Regulation shall be substituted for Annex II to Regulation (EEC) No 1027/68.

Article 2

This Regulation shall enter into force on 29 March 1972. It shall apply for the first time when the levies applicable from 3 April 1972 are calculated.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 March 1972.

For the Commission

The President
