REGULATION (EEC) No 100/73 OF THE COMMISSION
of 17 January 1973
fixing the export refunds on poultrymeat for the period beginning 1 February 1973

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 123/67/EEC (1) of 13 June 1967 on the common organization of the market in poultrymeat, as last amended by the Act (2) annexed to the Treaty (3) on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof ;

Whereas Article 9 of Regulation No 123/67/EEC provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products in the Community may be covered by an export refund ;

Whereas Council Regulation No 176/67/EEC (4) of 27 June 1967, as amended by Regulation No 2689/72 (5), lays down general rules for granting export refunds and criteria for fixing the amount of such refunds ;

Whereas it follows from applying these rules and criteria to the present situation on the market in poultrymeat that the refund should be fixed as indicated below ;

Whereas, for products falling within subheadings 01.05 A and 02.02 A I of the Common Customs Tariff, an amount should be chosen that will cover the difference between the most favourable import prices in traditional importing third countries and export prices in exporting Member States; whereas, for products falling within subheadings 02.02 A I a) and c) and 02.02 B II a) 1, this difference can be established by means of the refund on products falling within subheading 02.02 A I b) adjusted for normal price differences resulting from differences in presentation ;

Whereas, for products falling within subheading 01.05 A of the Common Customs Tariff, provision should be made, account being taken of conditions of competition determined inter alia by transport costs, for different amounts which would allow exporting Member States to continue to trade with third countries, irrespective, of whether these are European third countries, non-European third countries on the Mediterranean or more distant countries ;

Whereas, for the other products listed in the Annex to this Regulation, the refund should be limited to an amount which, while permitting of Community participation in international trade, takes account of the nature of these exports and their importance at the present time ;

Whereas, since economically important quantities of other poultrymeat products are not being exported, there is no need to fix a refund for these at present ;

Whereas the Management Committee for Poultry and Eggs, has not delivered an Opinion within the time limit set by its Chairman ;

HAS ADOPTED THIS REGULATION :

Article 1

1. The list of products for which the export refund referred to in Article 9 of Regulation No 123/67/EEC is granted, and the amount of that refund, are hereby fixed as shown in the Annex.

2. No refund is fixed for any of the products listed in Article 1 (1) of Regulation No 123/67/EEC not included in the Annex.

Article 2

This Regulation shall enter into force on 1 February 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 17 January 1973.
