REGULATION (EEC) No 1057/73 OF THE COMMISSION

of 18 April 1973

amending Commission Regulation (EEC) No 1613/71 as regards the corrective amount relating to broken rice 'brewers' coming from the United States of America

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC [1] of 25 July 1967 on the common organization of the market in rice, as last amended by the Act [2] annexed to the Treaty concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 16 (5) thereof;

Whereas Annex III of Commission Regulation (EEC) No 1613/71 [3] of 26 July 1971 laying down detailed rules for fixing cif prices and levies on rice and broken rice and the corrective amounts relating thereto, as last amended by Regulation (EEC) No 363/72 [4], determines the corrective amounts corresponding to the differences in value of broken rice of the qualities offered on the world market as compared with the value of the standard quality for which the threshold price is fixed;

Whereas offers on the world market have been recorded for the quality 'brewers No 5' coming from the United States of America, which are not included in Annex III to Regulation (EEC) No 1613/71;

Whereas for the purpose of fixing cif prices a corrective amount must be fixed for that quality, account being taken of the Community standard quality on the one hand and, on the other, of the differences in price and in characteristics between the quality 'brewers No 5' and the qualities listed in Annex III to Regulation (EEC) No 1613/71;

Whereas it seems appropriate to fix at the same time and following the same criteria the corrective amounts for the other 'brewers' qualities of broken rice coming from the United States of America which might be offered on the world market;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals;

HAS ADOPTED THIS REGULATION:
