REGULATION (EEC) No 1266/73 OF THE COMMISSION

of 14 May 1973

laying down additional detailed rules for the application of 'monetary' compensatory amounts for milk and milk products and beef and veal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 974/71 [1] of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 1225/73 [2], and in particular Article 6 thereof ;

Whereas, pursuant to Article 4b (1) of Regulation (EEC) No 974/71, intervention prices valid for the 1973/74 marketing year for the products referred to in Article 1 (2) of that Regulation are increased by a corrective amount of 1 % in Italy ; whereas prices for the 1973/74 marketing year are applicable from 14 May 1973 as far as milk and milk products and beef and veal are concerned ; whereas it would be well to indicate the intervention prices valid for these products as from that date in Italy ;

Whereas Article 4b (2) of Regulation (EEC) No 974/71 specifies that the amount referred to in paragraph 1 of same Article must be reflected to the extent necessary in the amounts which Italy is required to pay under regulations on the common organization of agricultural markets in respect of other intervention on the internal market ; whereas, as far as milk and milk products are concerned, the aid payable in Italy for skimmed-milk powder during the 1973/74 marketing year should be increased in proportion to the increase in the intervention prices valid in Italy for the 1973/74 marketing year ; whereas the increase in intervention prices need not, however, be reflected in the aid for skimmed-milk powder for animal feed or in the aid for skimmed-milk powder processed into casein since skimmed milk is not, in fact, used in the manufacture of compound feedingstuffs or casein in that Member State ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products and for Beef and Veal ;

HAS ADOPTED THIS REGULATION :
