REGULATION (EEC) No 1295/73 OF THE COMMISSION

of 15 May 1973

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 2764/72 [1] of 19 December 1972 establishing preferential tariffs in respect of certain textile products originating in developing countries, and in particular Article 4 (2) thereof ;

Whereas Article 1 (3) and (4) of that Regulation provides that the Common Customs Tariff duties may, for each category of products, be suspended up to a Community ceiling equal to three quarters of the sum arrived at by adding together the metric tonnage of the products in question, imported into the Community in 1968 and coming from Countries listed in Annex B to that Regulation, but not including products coming from countries already covered by various preferential tariff arrangements established by the Community, and 5 % of the 1970 metric tonnage of such imports coming from other countries and from countries already covered by such arrangements ; whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling ; whereas Article 2 (2) of that Regulation provides that Common Customs Tariff duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries once the relevant Community maximum amount has been reached ;

Whereas, in respect of women's, girls' and infants' outer garments, not of cotton, falling within heading No ex 61.02, the ceiling, calculated as indicated above, should be 90 metric tons, and therefore the maximum amount 45 metric tons ; whereas on 27 April 1973 the amounts of imports into the Community of women's, girls' and infants' outer garments, not of cotton, originating in South Korea, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 2764/72, which provides that maximum amounts should not be exceeded, Common Customs Tariff duties should be re-established in respect of the products in question in relation to South Korea ;

HAS ADOPTED THIS REGULATION :
