REGULATION (EEC) No 1298/73 OF THE COMMISSION

of 15 May 1973

re-establishing Common Customs Tariff duties on illuminating glassware, signalling glassware and optical elements of glass, not optically worked nor of optical glass, falling within subheading No 70.14 B, originating in Hong Kong, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 2762/72 of 19 December 1972 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 2762/72 [1] of 19 December 1972 establishing preferential tariffs in respect of certain products originating in developing countries, and in particular Article 4 (2) thereof ;

Whereas Article 1 (3) and (4) of that Regulation provides that the Common Customs Tariff duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will usually be equal to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1968 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1970 cif imports coming from other countries and from countries and territories already covered by such arrangements ;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation ; whereas, for those products, this reduced percentage will be 20 % ;

Whereas Article 2 (2) of that Regulation provides that the Common Customs Tariff duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories once the relevant Community maximum amount has been reached ;

Whereas, in respect of illuminating glassware, signalling glassware and optical elements of glass, not optically worked nor of optical glass, falling within subheading No 70.14 B, the ceiling, calculated as indicated above, should be 281 000 units of account, and therefore the maximum amount 56 200 units of account ; whereas on 20 April 1973 the amounts of imports into the Community of illuminating glassware, signalling glassware and optical elements of glass, not optically worked nor of optical glass, falling within subheading No 70.14 B, originating in Hong Kong, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 2762/72, which provides that maximum amounts should not be exceeded, Common Customs Tariff duties should be re-established in respect of the products in question in relation to Hong Kong ;

HAS ADOPTED THIS REGULATION :

Article 1

As from 21 May 1973, Common Customs Tariff duties, suspended in pursuance of Council Regulation (EEC) No 2762/72 of 19 December 1972, shall be re-established in respect of the following products, imported into the Community and originating in :

CCT heading No	Description of goods
70.14 B	Illuminating glassware, signalling glassware and optical elements of glass, not optically worked of optical glass : B. Other

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
