REGULATION (EEC) No 1344/73 OF THE COUNCIL

of 15 May 1973

fixing the amount of aid in respect of silkworms for the 1973/74 rearing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 845/72 [1] of 24 April 1972 laying down special measures to encourage silkworm rearing, and in particular Article 2 (3) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas Article 2 of Regulation (EEC) No 845/72 provides that the amount of aid for silkworms reared within the Community must be fixed each year in such a way as to help ensure a fair income for silkworm rearers, taking account of the state of the market in cocoons and raw silk, of foreseeable trends on that market and of import policy;

HAS ADOPTED THIS REGULATION:

Sole article

For the 1973/74 rearing year, the aid in respect of silkworms, as referred to in Article 2 of Regulation (EEC) No 845/72, shall be fixed at 31 units of account per box of silkworm eggs used.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 May 1973.

For the Council

The President

A. LAVENS
