REGULATION (EEC) No 1350/73 OF THE COUNCIL

of 15 May 1973

fixing aid for seeds for the 1973/74 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 2583/71 [1] of 26 October 1971 on the common organization of the market in seeds, as last amended by Regulation (EEC) No 597/73 [2], and in particular Article 3 (3) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas the market situation within the Community and foreseable market trends with regard to certain seeds which are listed in the Annex to Regulation (EEC) No 2358/71 and which will be marketed during the 1973/74 marketing year do not ensure a fair income for producers; whereas part of their production costs should be offset by aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 provides that this aid must be fixed by taking account both of the need to ensure a balance between the volume of production required in the Community and the possible outlets for that production and of the price on third-country markets of the products concerned;

HAS ADOPTED THIS REGULATION:

Sole Article

For the 1973/74 marketing year, the aid provided for in Article 3 of Regulation (EEC) No 2358/71 shall be as shown in the Annex.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 May 1973.

For the Council

The President

A. LAVENS
