REGULATION (EEC) No 1608/73 OF THE COMMISSION

of 15 June 1973

amending the amount applicable as compensatory amounts for certain products processed from rye

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 229/73 [2] of 31 January 1973 laying down general rules for a system of compensatory amounts for cereals and fixing these amounts for certain products, and in particular Article 7 thereof;

Having regard to Council Regulation (EEC) No 243/73 [3] of 31 January 1973 laying down general rules for a system of compensatory amounts for rice and fixing these amounts for certain products, and in particular Article 5 thereof;

Whereas Commission Regulation (EEC) No 1526/73 [4] of 7 June 1973 has fixed the amounts applicable as compensatory amounts for certain products processed from rye valid from 8 June 1973;

Whereas an examination has shown that because of a transcription error, the amounts applicable to the products under heading 11.02 A II have not been correctly fixed; whereas it is therefore necessary to amend Regulation (EEC) No 1526/73;

HAS ADOPTED THIS REGULATION:

Article 1

In Annex C of Regulation (EEC) No 1526/73 the amount '2,709' appearing in the column for Ireland for heading 11.02 A II shall be replaced by the figure '2,309'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*. It is applicable, on the request of the party concerned, from 8 June 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 June 1973.

The President
