REGULATION (EEC) No 1634/73 OF THE COMMISSION
of 19 June 1973
on detailed rules for the application of Article 4b of Regulation (EEC) No 974/71 to fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71 [1] of 12 May 1971, on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States as last amended by Regulation (EEC) No 1225/73 [2], and in particular Article 6 thereof;

Whereas pursuant to Article 4b (1) of Regulation (EEC) No 974/71, the intervention or buying-in prices for the 1973/74 marketing year for products referred to in Article 1 (2) of that Regulation, have been increased in Italy by a corrective amount of 1 %; whereas as regards fruit and vegetables, it should be provided that the prices referred to in Article 18 (1) (a) and Article 19 (2) of Council Regulation (EEC) No 1035/72 [3] on the common organization of the market in fruit and vegetables, as last amended by Council Regulation (EEC) No 2745/72 [4], and the minimum prices referred to in Article 2 of Council Regulation (EEC) No 2601/69 [5] of 18 December 1969, laying down special measures to encourage the processing of certain varieties of oranges, as last amended by Regulation (EEC) No 176/73 [6], should be increased in Italy by the corrective amount specified above;

Whereas under Article 4b (2) of Regulation No 974/71, the corrective amount specified in paragraph 1 of that Article is, in so far as may be necessary to be reflected in the amounts which Italy must pay in accordance with Regulations on the common organization of agricultural markets following other interventions on the internal market; whereas in this connection, as regards fruit and vegetables, it appears necessary to increase, for the 1973/74 marketing year, the financial compensation granted by Italy pursuant on one hand to Council Regulation (EEC) No 2511/69 [7] of 9 December 1969, laying down special measures for improving the production and marketing of Community citrus fruit, as last amended by Regulation (EEC) No 175/73 [8], and on the other hand Regulation (EEC) No 2601/69.

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Fruit and Vegetables;

HAS ADOPTED THIS REGULATION:

Article 1

For the 1973/74 marketing year:

are increased in Italy by 1 %.
