REGULATION (EEC) No 1702/73 OF THE COMMISSION

of 27 June 1973

modifying the Annex to Regulation (EEC) No 2637/70 concerning the length of validity of export certificates for milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 [1] of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by the Act [2] concerning the conditions of Accession and the Adaptations of the Treaties, and in particular Article 13 (3) thereof;

Whereas, in the Annex to Commission Regulation (EEC) No 2637/70 [3] of 23 December 1970 on the particular methods of applying the system of import, export and prefixation certificates for agricultural products, as last amended by Regulation (EEC) No 1570/73 [4], the length of validity of export certificates for the products set out in the Article 1 of Regulation (EEC) No 804/68 was fixed with effect from 1 February 1973 from the current month until the end of the fifth month following that in which the certificate was delivered;

Whereas the market situation for proteins on the world market makes it necessary to reduce the time limits for the validity of export certificates for skimmed milk powder and animal feed stuffs based on skimmed milk powder; whereas it is consequently appropriate to alter the Annex referred to above;

Whereas the Management Committee for Milk and Milk Products has not offered its Opinion within the time limits given by the president;

HAS ADOPTED THIS REGULATION:

Article 1

The list set out in Article 35 (2) of Regulation (EEC) No 2637/70 is replaced by the list in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 28 June 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 June 1973.

For the Commission

The President

François-Xavier ORTOLI
