REGULATION (EEC) No 1770/73 OF THE COMMISSION

of 29 June 1973

laying down detailed rules for the application of Article 4b of Regulation (EEC) No 974/71 and Article 5a of Regulation (EEC) No 1569/72 in the oil seeds sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71 (1), of 21 May 1971, relating to certain measures of conjunctural policy to be taken in the agricultural sector following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 1225/73 (2), and in particular Article 6 thereof;

Having regard to Council Regulation (EEC) No 1569/72 (3), of 20 July 1972, laying down special measures for colza and rape seed, as last modified by Regulation (EEC) No 1356/73 (4), and in particular Article 7 thereof;

Whereas pursuant to Article 4b (1) of Regulation (EEC) No 974/71, the intervention prices valid for the 1973/74 marketing year for products referred to in Article 1 (2) of the aforesaid Regulation shall be increased in Italy by a corrective amount equal to 1 %; whereas Article 5a of Regulation (EEC) No 1569/72 lays down the same increase for the intervention prices valid for the 1973/74 marketing year for colza and rape seed in Italy;

Whereas, as regards the oil seeds sector, the fact that the derived intervention prices as well shall be increased in Italy by the corrective amount referred to below should be stated;

Whereas, according to Article 4 (2) of Regulation (EEC) No 974/71 and Article 5b (2) of Regulation (EEC) No 1569/72, the corrective amount referred to below shall in so far as is necessary be reflected in the amounts which Italy must pay following other interventions on the internal market; whereas in this respect, as regards the oil seeds sector, it seems necessary for the 1973/74 marketing year to increase the subsidy granted by Italy in applying Article 27 of Council Regulation No 136/66/EEC (5) of 22 September 1966, on the establishment of a common organization of the markets in the oils and fats sector, as last amended by the Act (6) annexed to the Treaty (7) concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats;

HAS ADOPTED THIS REGULATION:

Article 1

For the 1973/1974 marketing year, the derived intervention prices laid down in Article 22 (2) of Regulation No 136/66/EEC shall be increased in Italy by a corrective amount equal to:

— Lit 128/100 kg for colza and rape seed;

— Lit 129/100 kg for sunflower seed.
