REGULATION (EEC) No 1803/73 OF THE COMMISSION
of 29 June 1973
fixing the compensatory amounts for eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 237/73 [2] of 31 January 1973 laying down general rules for the system of compensatory amounts for eggs, and in particular Article 9 (3) thereof;

Whereas the compensatory amounts for egg products were fixed by Council Regulation (EEC) No 237/73 and Commission Regulation (EEC) No 369/73 [3] of 31 January 1973; whereas, however, the compensatory amounts are determined in accordance with Article 4 of Regulation (EEC) No 237/73 where the situation envisaged in Article 7 of Council Regulation (EEC) No 229/73 [4] of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals arises;

Whereas in the sector of eggs the calculation of the compensatory amounts for trade with Denmark results in minimal amounts; whereas there is therefore no need to fix compensatory amounts;

HAS ADOPTED THIS REGULATION:

Article 1

The amounts provided for in Article 4 of Regulation (EEC) No 237/73 as compensatory amounts for eggs, ovalbumin and lactalbumin for July 1973 are fixed in the Annex.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall apply from 1 July 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 June 1973.

For the Commission

The President

François-Xavier ORTOLI
