REGULATION (EEC) No 1807/73 OF THE COMMISSION

of 4 July 1973

altering the Annex to Regulation (EEC) No 1759/73 as regards the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC [1] of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by the Act [2] annexed to the Treaty [3] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 1569/72 [4] of 20 July 1972 laying down special measures for colza and rape seed, as last amended by Regulation (EEC) No 1356/73 [5], and in particular Article 3 thereof;

Whereas Commission Regulation (EEC) No 1464/73 [6] of 30 May 1973 laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the differential amounts are fixed by Regulation (EEC) No 1759/73 [7];

Whereas the German Government announced on 29 June 1973 that with effect from that date, the central rate of the DM has been revalued, DM 1 being equivalent henceforth to 0·31'0580 special drawing right; whereas this fact should be taken into account when the differential amounts for colza and rape seed are fixed;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats;

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 1759/73 is replaced by the Annex to this Regulation.

At the request of the interested party it shall apply from 29 June 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 July 1973.
