REGULATION (EEC) No 1852/73 OF THE COMMISSION

of 10 July 1973

on the fixation of the weighting coefficients to be used in calculating the common market price of pig carcases

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC (1) of 13 June 1967, on the common organization of the market in pig meat, as last amended by the Regulation (EEC) No 1652/73 (2), and in particular Article 4 (6) thereof,

Whereas the common market price of pig carcases referred to in Article 4 (2) of Regulation No 121/67/EEC, may be taken as an average of the prices recorded in each Member State, weighted in accordance with the coefficients expressing the relative magnitude of the pig population of each Member State; these coefficients should be determined on the basis of the number of pigs counted each year in accordance with the Council Directive (3) of 27 March 1968 concerning the censuses to be carried through by the Member States in the sector of pig production;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat;

HAS ADOPTED THIS REGULATION:

Article 1

The weighting coefficients, referred to in Article 4 (2) of the Regulation No 121/67/EEC are fixed in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 August 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 July 1973.

For the Commission

The President

François-Xavier ORTOLI
