REGULATION (EEC) No 200/73 OF THE COMMISSION

of 23 January 1973

amending Regulation (EEC) No 1576/72 of the Commission on the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC (1) of 22 September 1966 on the establishment of a common organization of the market in oils and fats as last amended by Regulation (EEC) No 1547/72 (2);

Having regard to Council Regulation (EEC) No 1569/72 (3) of 20 July 1972 laying down special measures for colza and rape seed and in particular Article 7 thereof;

Whereas Article 5 of Commission Regulation (EEC) No 1576/72 (4) of 24 July 1972 on the differential amounts for colza and rape seed provides that when the seeds harvested in the Community are the subject of trade within the Community there shall be drawn up in the Member State where the seeds have been harvested the control copy referred to in Article 1 of Commission Regulation (EEC) No 2315/69 (5) of 19 November 1969 on the use of Community transit documents for the purpose of applying Community measures for verifying the use and/or destination of goods; whereas the control copy shall be accompanied by a deposit;

Whereas differential amounts are only levied or granted for colza and rape seed harvested in the Community and processed for oil or exported; whereas the issue of a control copy is unnecessary in the case of trade in seeds recognized by the law of the Member State of origin as being seed for cultivation or in seed subject to denaturing according to Community rules; whereas these seeds should therefore be exempted from the control abovementioned;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats;

HAS ADOPTED THIS REGULATION:

Article 1

The first subparagraph of Article 5 of Regulation (EEC) No 1576/72 is amended as follows:

'When the seeds harvested in the Community, excepting seeds:

— recognized by the law of the Member State of origin as being seed for cultivation, or

— subject to denaturing according to Community rules,

are the subject of trade between Member States, there shall be drawn up in the Member State where the seeds have been harvested, after they have been weighed, the control copy referred to in Article 1 of Regulation (EEC) No 2315/69, section 31 of which shall contain in addition to the description of the goods, one of the following endorsements:

. . . . . .'

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 January 1973.
