REGULATION (EEC) No 2049/73 OF THE COMMISSION

of 19 July 1973

laying down general rules concerning the components designed to ensure, within the cereals and rice sectors, the protection of the processing industry as regards trade within the Community for the 1973/74 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 224/73 [1] of 31 January 1973 laying down general rules concerning the components designed to ensure, within the cereals and rice sectors, the protection of the processing industry, and fixing those components in respect of the new Member States, and in particular the second indent of Article 1 (3) thereof;

Whereas under Article 61 (3) of the Act [2] annexed to the Treaty on the Accession of new Member States to the European Economic Community and to European Atomic Energy Community, signed at Brussels on 22 January 1972, the components for protection of the processing industry — hereinafter called 'fixed components' — are to be progressively abolished between the Community as originally constituted and the new Member States and between the new Member States themselves at the beginning of the marketing year specified for the basic product in question in accordance with the timetable provided for in Article 59 (1) of the aforementioned Act; whereas consequently the first reduction reduces those fixed components to 80 % of the basic fixed components;

Whereas, furthermore, no authorization has been granted under Article 59 (4) of the Act;

HAS ADOPTED THIS REGULATION:

Article 1

For the 1973/74 marketing year, the fixed components to be levied on imports from the new Member States into the Community as originally constituted and on imports into each new Member State from the other Member States shall be as shown in the Annex.

Article 2

The fixed components referred to in Article 1 shall apply:

— from 1 August 1973 in respect of products coming under Council Regulation No 120/67/EEC [3] of 25 July 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 [4];

— from 1 September 1973 in respect of products coming under Council Regulation No 359/67/EEC [5] of 25 July 1967 on the common organization of the market in rice, as last amended by the Act on the Conditions of Accession and the Adjustments to the Treaties.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 July 1973.
