REGULATION (EEC) No 2073/73 OF THE COMMISSION

of 31 July 1973

fixing, for the 1973/74 marketing year, the compensatory amounts for certain categories of cereals, for rice, and for processed products derived from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 229/73 [1] of 31 January 1973, laying down general rules for the system of compensatory amounts for cereals and fixing these for certain products, as last amended by Regulation (EEC) No 1967/73 [2], and in particular Article 9 thereof;

Having regard to Council Regulation (EEC) No 243/73 [3], of 31 January 1973, laying down general rules for the system of compensatory amounts for rice and fixing these amounts for certain products, and in particular Article 7 (1) thereof;

Whereas, in accordance with Article 74 (1) of the Act [4] on the Conditions of Accession and the Adjustments to the Treaties, hereinafter referred to as the 'Act', and Article 2 of Regulation (EEC) No 229/73, the compensatory amounts for cereals, for which no derived intervention price is fixed for the new Member States, shall be derived from those applicable to the reference cereal for which a derived intervention price is fixed; whereas this calculation should be made in accordance with Article 2 referred to above, by applying coefficients;

Whereas the compensatory amounts for reference cereals, as well as the coefficients, applicable to the 1973/74 marketing year, were fixed by Regulation (EEC) No 1967/73; whereas by applying the coefficients to the compensatory amount for the reference cereal the compensatory amounts shown in Annex A are obtained;

Whereas, as regards round-grained husked rice, long-grained husked rice, and broken rice, the compensatory amounts shall, in accordance with Article 80 of the Act, be fixed on the basis of those applicable during the preceding marketing year, and according to the rules on the alignment of prices laid down in Article 52 of the Act;

Whereas the application of the provisions of Article 74 (2) and Article 80 (2) of the Act to products within Article 1 (c) and (d) of Council Regulation No 120/67/EEC [5] of 13 June 1967, on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 [6], and of Article 1 (1) (c) of Council Regulation No 359/67/EEC [7], of 25 July 1967, on the common organization of the market in rice, as last amended by the Act of Accession, produces the compensatory amounts shown in Annex C;

Whereas the Management Committee for Cereals has not delivered an Opinion within the time limit set by its chairman;

HAS ADOPTED THIS REGULATION:
