REGULATION (EEC) No 2096/73 OF THE COMMISSION

of 27 July 1973

fixing the buying-in prices for permanent intervention on the market in beef and veal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968, on the common organization of the market in beef and veal as last amended by Regulation (EEC) No 187/73 [2], and in particular Article 6 (5) (c) thereof;

Whereas, in accordance with the provisions of Council Regulation (EEC) No 1302/73 [3] of 15 May 1973 laying down general rules for intervention on the market in beef and veal, the qualities and cuts of products to be bought in by intervention agencies shall be determined with a view, on the one hand, to the need to give effective support to the market, and to ensure the necessary balance between the market in question and that in other livestock production, and on the other hand, to the Community's financial responsibilities in the matter; whereas it is therefore desirable to limit buying-in to certain cuts of meat and to meat of above-average quality in order to attain the desired objectives by making permanent provision for the sale of beef and veal to intervention agencies;

Whereas the upper and lower limits for buying-in prices must be fixed in such a way as to allow intervention agencies to take account of the differences of value in meat arising out of the age, weight, conformation, and degree of fattening of the animals concerned;

Whereas it is desirable to fix the upper limits at a level closely approaching or equal to the maximum buying-in price as determined by the application of Article 6 (1) of Regulation (EEC) No 805/68, and of the coefficients fixed in Commission Regulation (EEC) No 1896/73 [4] of 14 July 1973 on detailed rules for the implementation of intervention measures on the market in beef and veal;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal;

HAS ADOPTED THIS REGULATION:

Article 1

The buying-in prices, free at entry into intervention centre cold store, for the products referred to in Article 6 (1) of Regulation (EEC) No 805/68, bought in accordance with the conditions laid down in Regulation (EEC) No 1896/73, shall be fixed by intervention agencies, within the limits laid down for each product in the Annex to this Regulation, having regard to the age, weight, genealogical history, and degree of fattening of the animals from which the said products are are obtained.

Article 2

This Regulation shall enter into force on 30 July 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 July 1973.

For the Commission

The President

François-Xavier ORTOLI
