REGULATION (EEC) No 230/73 OF THE COUNCIL

of 31 January 1973

on compensatory amounts for colza and rape seeds

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to the Treaty concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community (1) signed at Brussels on 22 January 1972, and in particular Article 62 (1) of the Act annexed thereto;

Having regard to the proposal from the Commission;

Whereas Article 71 of the Act provides that the amount of subsidy for oil seeds harvested in a new Member State shall be adjusted by the compensatory amount applicable in that State; whereas under Article 72 of the Act, in trade in oil seeds, the compensatory amount shall be applied only to refunds granted on export to third countries of oil seeds harvested in a new Member State;

Whereas the application of Article 70 of the Act requires that the derived intervention prices for colza and rape seeds harvested in Denmark and the United Kingdom should be fixed at a level different from that of the common prices;

Whereas, in order to compensate for this difference in price levels, the subsidy and the export refund for the seeds referred to above should be reduced by an amount equivalent to the difference between the prices fixed in the new Member State concerned and the common prices;

HAS ADOPTED THIS REGULATION:

Article 1

Denmark:	1·38 u.a. per 100 kg,
United Kingdom:	6·03 u.a. per 100 kg.

2. The compensatory amounts so deducted shall not exceed the subsidy and export refund amounts which are applicable.
