# REGULATION (EEC) No 2393/73 OF THE COMMISSION

## of 31 August 1973

## on the application of 'monetary' compensatory amounts upon the reintroduction of import charges and compensatory amounts for beef and veal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 (2), and in particular Article 11 (2) thereof;

Having regard to Council Regulation (EEC) No 974/71 (3) of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 1225/73 (4), and in particular Article 6 thereof;

Whereas, under Council Regulation (EEC) No 1969/73 (5) of 19 July 1973, the system provided for by Council Regulation (EEC) No 182/73 (6) of 13 January 1973 suspending the import charges and compensatory amounts for beef and veal, as last amended by Regulation (EEC) No 1331/73 (7), is to terminate if the Commission finds that the price for adult bovine animals in the Community is less than 103 % of the guideprice; whereas, however, the previously applicable import charges and compensatory amounts continue to apply in respect of imported products which are in transit, within time limits which vary according to product and origin;

Whereas, as a result of the suspension of import charges for beef and veal, the 'monetary' compensatory amounts to be granted upon importation have been considerably reduced in accordance with Article 5 of Commission Regulation (EEC) No 1463/73 (8) of 30 May 1973 laying down detailed rules for the application of 'monetary' compensatory amounts, as last amended by Regulation (EEC) No 2113/73 (9); whereas the reintroduction of customs duties, levies and compensatory amounts will cause a significant rise in these 'monetary' compensatory amounts; whereas it must therefore be ensured that imports which, on account of transit times, are still effected under the system provided for by Regulation (EEC) No 182/73 do not benefit from the amounts applicable after the termination of that system;

HAS ADOPTED THIS REGULATION:

*Article 1*

In respect of imports to which, the import charges and compensatory amounts under Regulation (EEC) No 182/73 are applicable on account of transit times fixed under Article 2 of Regulation (EEC) No 1969/73, the 'monetary' compensatory amounts shall be reduced by the amounts fixed under Article 5 of Regulation (EEC) No 1463/73 which are applicable on the day preceding that on which the system provided for in Regulation (EEC) No 182/73 terminates.

*Article 2*

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 31 August 1973.

*For the Commission*

*The President*
