REGULATION (EEC) No 250/73 OF THE COMMISSION

of 30 January 1973

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC (1) of 13 June 1967 on the common organization of the market in cereals, as last amended by the Act (2) annexed to the Treaty (3) on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 14 (4) thereof ;

Having regard to Council Regulation No 359/67/EEC (4) of 25 July 1967 on the common organization of the market in rice, as last amended by the Act annexed to the Treaty on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 12 (4) thereof ;

Whereas the rules to be applied to calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation No 120/67/EEC and Article 12 (1) (a) of Regulation No 359/67/EEC ; whereas Article 2 of Council Regulation (EEC) No 1052/68 (5) of 23 July 1968 on the import and export system for products processed from cereals and rice, as last amended by Regulation (EEC) No 2728/71 (6), provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first twenty-five days of the month preceding that of importation ; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals ;

Whereas Commission Regulation (EEC) No 1080/68 (7) of 26 July 1968 on the procedure for calculating the levy on products processed from cereals and rice and for the advance fixing of the levy for some of these products, as last amended by Regulation (EEC) No 2764/71 (8), provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 0·25 units of account per 100 kilogrammes from the average of the levies calculated as described above ;

Whereas in accordance with Article 5 of Regulation (EEC) No 1052/68 and Article 2 of Regulation (EEC) No 1080/68, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing ;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 1052/68 ;

Whereas, in order that account may be taken of the interests of the Associated African States and Madagascar and of the Overseas Countries and Territories, and of the United Republic of Tanzania, the Republic of Uganda and the Republic of Kenya, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component ; whereas this reduction must be made in accordance with Article 1 of Council Regulation (EEC) No 522/70 (9) of 17 March 1970 on the treatment to be accorded to products processed from cereals and rice originating in the Associated African States and Madagascar or in the Overseas Countries and Territories, and Article 1 of Council Regulation (EEC) No 653/71 (10) of 30 March 1971 on the treatment to be accorded to products processed from cereals and rice originating in the United Republic of Tanzania, the Republic of Uganda or the Republic of Kenya, as amended by Regulation (EEC) No 1036/72 (11) ;

Whereas Article 4 (2) of Regulation (EEC) No 1052/68 provides that the levy to be charged on the products listed in the Annex to that Regulation under heading No 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967) annexed to the General Agreement on Tariffs and Trade, to the amount resulting from application of the rate of duty bound within GATT ;

Whereas, in accordance with Article 18 (1) of Regulation No 120/67/EEC, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;
