REGULATION (EEC) No 2538/73 OF THE COMMISSION

of 18 September 1973

repealing the additional amounts for eggs in shell

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 122/67/EEC [1] of 13 June 1967 on the common organization of the market in eggs, as last amended by the Act [2] annexed to Treaty [3] on the accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 8 (4) thereof;

Whereas for eggs in shell the additional amounts were last fixed by Commission Regulation (EEC) No 1866/73 [4] of 11 July 1973,

Whereas the regular review of the information serving as a basis for the determination of average offer prices for the products listed in Article 1 (1) (a) of Regulation No 122/67/EEC indicates that there are no more representative offers where the price, free-at-frontier, is less than the level of the sluice-gate price, it is in consequence necessary to repeal the additional amounts fixed by Regulation (EEC) No 1866/73;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Poultrymeat and Eggs;

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1866/73 is repealed.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 September 1973.

For the Commission

The President

François-Xavier ORTOLI
