REGULATION (EEC) No 2552/73 OF THE COMMISSION

of 19 September 1973

amending Regulation (EEC) No 2048/73 establishing, for the 1973/74 marketing season, certain marketing centres and the derived intervention prices applicable therein

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1346/73 [2], and in particular Article 4 (6) thereof ;

Whereas for the marketing season 1973/74 certain marketing centres of cereals and the derived intervention prices applicable therein were to be established by Regulation (EEC) No 2048/73 [3] of 17 July 1973 ; whereas inspection has made it apparent that the increases in certain derived intervention prices for common wheat and barley, published in the Annex to the said Regulation, are incorrect through errors in calculation and printing ; whereas this inspection has equally made apparent some errors concerning the geographical situation of certain centres in the list of marketing centres laid down by the Annex to the said Regulation ; whereas it is important, therefore, to correct these errors and in consequence to amend Regulation (EEC) No 2048/73 ;

Whereas Council Regulation (EEC) No 1927/73 [4] of 16 July 1973 fixing for rye a single derived intervention price for the marketing season 1973/74 ; whereas, for the marketing season 1972/73, the basic intervention price for this cereal was fixed for the marketing centre of Duisburg ; whereas this centre, due to the fixing of a single derived intervention price, should no longer have been considered as a principal marketing centre ; whereas it is necessary, however, to put it into the list of secondary marketing centres given its importance from a regional point of view ;

Whereas it was omitted from the Annex to Regulation (EEC) No 2048/73 ; whereas in consequence this situation should be remedied by completing the Annex to the said Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals ;

HAS ADOPTED THIS REGULATION :
