REGULATION (EEC) No 2664/73 OF THE COMMISSION

of 28 September 1973

fixing the compensatory amounts for eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 237/73 [2] of 31 January 1973 laying down general rules for the system of compensatory amounts for eggs, and in particular Article 9 (3) thereof;

Whereas the compensatory amounts for egg products were fixed by Council Regulation (EEC) No 237/73 and Commission Regulation (EEC) No 2053/73 [3] of 25 July 1973; whereas, however, the compensatory amounts are determined in accordance with Article 4 of Regulation (EEC) No 237/73 where the situation envisaged in Article 7 of Council Regulation (EEC) No 229/73 [4] of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals arises;

Whereas in the sector of eggs the calculation of the compensatory amounts for trade with Denmark results in minimal amounts; whereas there is therefore no need to fix compensatory amounts;

Whereas the amounts applicable to the exchanges between Ireland and the United Kingdom are at a minimum and cannot be the object of charges nor grants,

HAS ADOPTED THIS REGULATION:

Article 1

The amounts provided for in Article 4 of Regulation (EEC) No 237/73 as compensatory amounts for eggs, ovalbumin and lactalbumin for October 1973 are fixed in the Annex.

In the exchanges between Ireland and the United Kingdom no amount is charged or granted.

Article 2

This Regulation shall enter into force on 1 October 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 September 1973.

For the Commission

The President

François-Xavier ORTOLI
