REGULATION (EEC) No 2788/73 OF THE COMMISSION

of 12 October 1973

re-establishing Common Customs Tariff duties on yarn of combed sheep's or lambs' wool (worsted yarn), not put up for retail sale falling within CCT heading No 53.07 originating in Brazil to which the preferential tariff arrangements set out in Council Regulation (EEC) No 2766/72 of 19 December 1972 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2766/72 [1] of 19 December 1972 establishing preferential tariffs in respect of certain textile products and footwear originating in developing countries, and in particular Article 4 (2) thereof;

Whereas Article 1 (3) and (4) of that Regulation provides that the Common Customs Tariff duties may, for each category of textile products, be suspended up to a Community ceiling equal to the sum arrived at by adding together the metric tonnage of the products in question, imported into the Community in 1968 and coming from countries listed in Annex B to that Regulation, but not including products coming from countries already covered by various preferential tariff arrangements established by the Community, and 5 % of the 1970 metric tonnage of such imports coming from other countries and from countries already covered by such arrangements; whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling; whereas Article 2 (2) of that Regulation provides that Common Customs Tariff duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries once the relevant Community maximum amount has been reached;

Whereas, in respect of yarn of combed sheep's or lambs' wool (worsted yarn), not put up for retail sale the ceiling, calculated as indicated above, should be 230 metric tons, and therefore the maximum amount 115 metric tons; whereas on 5 October 1973 the amounts of imports into the Community of yarn of combed sheep's or lambs' wool (worsted yarn), not put up for retail sale originating in Brazil a country covered by preferential tariff arrangements reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 2766/72, which provides that maximum amounts should not be exceeded, Common Customs Tariff duties should be re-established in respect of the products in question in relation to Brazil,

HAS ADOPTED THIS REGULATION:
