REGULATION (EEC) No 2889/73 OF THE COMMISSION

of 24 October 1973

amending Regulations (EEC) Nos 480/73 and 1279/73 as regards the accession compensatory amounts for milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 233/73 [2] of 31 January 1973 laying down the general rules for the system of compensatory amounts for milk and milk products, and in particular Articles 2 (3) and 6 (2) thereof;

Whereas under the second subparagraph of Article 1 (1) of Regulation (EEC) No 233/73 Ireland is to grant a special compensatory amount on exports from Ireland to the United Kingdom of products falling within subheading No ex 04.01 of the Common Customs Tariff with a fat content of not less than 48 % but less than 57 % in metal containers with a net content equal to or greater than 45·460 litres (10 gallons) and intended for consumption in the United Kingdom after being put up in small packages; whereas Article 3 (3) of Commission Regulation (EEC) No 480/73 [3] of 31 January 1973 on detailed rules for the application of compensatory amounts for milk and milk products, as amended by Regulation (EEC) No 1279/73 [4], provides that such products are to be accompanied by a certificate stating that the special compensatory amount is to be paid only upon production of proof that the product has been put up in the United Kingdom in small packages for human consumption;

Whereas these special provisions, which are a hindrance to trade, can be dispensed with in view of the fact that the compensatory amount resulting from the application of the general system to the products in question is equal to the special compensatory amount of 29·70 units of account per 100 kg which has been applicable since 14 May 1973;

Whereas pursuant to Article 86 of the Act of Accession [5], Regulation (EEC) No 1279/73 fixed the accession compensatory amounts applicable during the 1973/74 milk year for grated and powdered cheese and provided for a certain reduction to be made to allow for the quality of the raw material normally used in the production of such cheese;

Whereas such allowance is liable to alter the pattern of trade by promoting trade in cheese as such to the detriment trade in powdered cheese; whereas it would therefore be advisable to discontinue the fixed price reduction for quality and to alter the amounts affected which are shown in the Annex to Regulation (EEC) No 1279/73;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. In Regulation (EEC) No 480/73 paragraph 3 of Article 3 is deleted.

2. In Regulation (EEC) No 1279/73:

— the reference to note '(a)' which appears below the compensatory amount '0·8816' to be applied to 'other products' falling within tariff heading No 04.01 B in trade between Ireland and the United Kingdom, is deleted;

— note (a) in the list of notes is deleted.

In the Annex to Regulation (EEC) No 1279/73 the compensatory amounts applicable to products falling within subheading No 04.04 E II a) of the Common Customs Tariff are replaced by the compensatory amounts shown in the Annex to this Regulation.
