REGULATION (EEC) No 3085/73 OF THE COMMISSION

of 14 November 1973

concerning the application with retrospective effect of Regulations (EEC) Nos 1858/73 and 2210/73, adjusting certain compensatory amounts and variable components applicable during the second and third quarters respectively of 1973 on importation of goods covered by Regulation (EEC) No 1059/69

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1059/69 (1) of 28 May 1969 determining the system of trade applicable to certain goods processed from agricultural products, as last amended by Regulation (EEC) No 1491/73 (2), and in particular Articles 6 and 7 thereof;

Whereas the threshold prices for milk and milk products were adjusted during the second quarter by Regulation (EEC) No 1190/73 of 8 May 1973 (3), and the threshold prices for cereals were adjusted during the third quarter of 1973 by Council Regulations (EEC) Nos 1962/73 (4), 1964/73 (5), and 1967/73 (6) of 17 July 1973; and whereas on the basis of these new threshold prices, the levels of the variable components and compensatory amounts were adjusted during the quarter concerned, and these adjusted levels were fixed by Commission Regulations (EEC) Nos 1858/73 (7) and 2210/73 (8) respectively;

Whereas it has proved to be technically impossible to publish these two Regulations within the period of 16 days laid down by Article 7 (2) of Regulation (EEC) No 1059/69, and whereas these Regulations came into force, without retrospective effect, on the date following that of their respective publication in the Official Journal;

Whereas it is necessary to respect the abovementioned 16-day period, so that, at the request of the interested party, the adjusted amounts can always be applied to imports carried out as from the 16th day after the fixing of the new threshold prices,

HAS ADOPTED THIS REGULATION:

Article 1

1. The variable components and compensatory amounts mentioned in Commission Regulation (EEC) No 1858/73 will be applied, at the request of the interested party, to imports carried out during the period 24 May to 30 June 1973 inclusive, instead of the amounts mentioned in Commission Regulation (EEC) No 1694/73.

2. The variable components and compensatory amounts, as well as the additional duties mentioned in Commission Regulation (EEC) No 2210/73 will be applied, at the request of the interested party, to imports carried out during the period 2 August to 20 August 1973 inclusive, instead of the amounts mentioned in Commission Regulation (EEC) No 1985/73.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 November 1973.

For the Commission

The President
