REGULATION (EEC) No 3454/73 OF THE COMMISSION

of 21 December 1973

altering the export refunds on beef and veal for the period beginning 22 December 1973

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 [2], and in particular the second sentence of Article 18 (5) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 18 of Regulation (EEC) No 805/68 provides that the difference between prices on the world market and prices within the Community for the products listed in Article 1 of that Regulation may be covered by an export refund ;

Whereas Council Regulation (EEC) No 885/68 [3] of 28 June 1968 lays down general rules for granting export refunds and criteria for fixing the amount of such refunds ;

Whereas it follows from applying these rules and criteria to the foreseeable situation on the market in beef and veal that the refund should be fixed as indicated below ;

Whereas, in the case of edible meat of domestic bovine animals, boned or boneless, salted and dried, there are traditional trade flows to Switzerland ; whereas, to the extent necessary to allow this trade to continue, the refund must be fixed at an amount which will cover the difference between prices on the Swiss market and export prices in the Member States ;

Whereas, in the case of the preserved meats set out in Annex I to Commission Regulation (EEC) No 1082/68 [4] of 26 July 1968 fixing coefficients expressing the meat content of preserved meats manufactured from frozen meat, as amended by Regulation (EEC) No 207/70 [5], which contain 40 % or more of meat, Community participation in international trade may be ensured by granting a refund which takes account of the refund hitherto granted to exporters ;

Whereas the exceptional market situation leads to allowing a refund on the export of adult bovine animals and meats coming under Common Customs Tariff heading No ex 02.01 A II a) 1 bb) 11 ;

Whereas, in the case of other beef and veal products, a refund need not be fixed since Community participation in world trade in these products is not significant ;

Whereas Article 92 of the Act [6] annexed to the Treaty [7] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, provides that the refund on exports from the new Member States for the products specified in Article 1 (b) and (c) of Regulation (EEC) No 805/68 shall be corrected by the amount of the difference between the customs duties on the products from which these products are produced ;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis :

— in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2·25 %, a rate of exchange based on their effective parity ;

— for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph,

HAS ADOPTED THIS REGULATION :
