REGULATION (EEC) No 358/73 OF THE COMMISSION

of 31 January 1973

fixing the compensatory amounts for certain types of cereals and rice, and for products processed from cereals and from rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 63 (1) of the Act annexed thereto;

Having regard to Council Regulation (EEC) No 229/73 [2] of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals and fixing these for certain products, and in particular Article 9 thereof;

Having regard to Council Regulation (EEC) No 243/73 [3] of 31 January 1973 laying down general rules for the system of compensatory amounts for rice and fixing these for certain products, and in particular Article 7 (1) thereof;

Whereas pursuant to Article 74 (1) of the Act the compensatory amounts for cereals, for which no derived intervention price is fixed, are to be derived from those applicable to the competing cereal for which a derived intervention price is fixed; whereas such reference cereal was determined by Regulation (EEC) No 229/73; whereas the same Regulation fixed the coefficients provided for in Article 74 (1) of the Act; whereas application of such coefficients to the compensatory amount for the reference cereals gives the compensatory amounts listed in Annex A;

Whereas, pursuant to Article 80 (2) of the Act, the compensatory amounts for paddy rice, semi-milled rice and wholly milled rice are to be derived from the compensatory amount for the reference product by applying the coefficients used in calculating the levy; whereas the reference product for paddy rice and milled rice is husked rice and that for semi-milled rice is milled rice; whereas the coefficients aforesaid were fixed by Commission Regulation No 467/67/EEC [4] of 21 August 1967 fixing the conversion rates, the processing costs and the value of the by-products for the various stages of rice processing, as last amended by Regulation (EEC) No 1499/72 [5]; whereas application of those coefficients to the compensatory amount for the reference cereal, fixed by Regulation (EEC) No 243/73 gives the compensatory amounts listed in Annex B;

Whereas the compensatory amounts listed in Annex C are obtained if Articles 74 (2) and 80 (2) of the Act are applied to the products listed in Article 1 (c) and (d) of Council Regulation No 120/67/EEC [6] of 13 June 1967 on the common organization of the market in cereals and Article 1 (1) (c) of Council Regulation No 359/67/EEC [7] of 25 July 1967 on the common organization of the market in rice, both Regulations as last amended by the Act concerning the conditions of Accession and the Adjustments to the Treaties;

Whereas if compensatory amounts are fixed from the start of the transitional period for the products falling within heading No 23.07 of the Common Customs Tariff, listed in Annex A to Regulation No 120/67/EEC, the new Member States would experience considerable difficulties; whereas the fixing of compensatory amounts for such products should therefore be postponed;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals;
