# REGULATION (EEC) No 676/73 OF THE COMMISSION

## of 9 March 1973

## fixing the export levies on starch products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67 EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by the Act [2] annexed to the Treaty [3] on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972 ;

Having regard to Council Regulation No 371/67/EEC [4] fixing production refunds on starches and quellmehl, as last amended by Regulation (EEC) No 179/73 [5], and in particular the last sentence of Article 2 (2) thereof;

Having regard to the Opinion of the Monetary Committee ;

Whereas, pursuant to Article 2 (2) of Regulation No 371/67/EEC, an export levy may be introduced for products falling within subheadings Nos 11.08 A I, III, IV and V, 11.09, 17.02 B II, 17.05 B and 23.03 A I of the Common Customs Tariff when world market prices for maize or common wheat exceed 6·80 units of account ;

Whereas, by Regulation (EEC) No 1604/71 [6] of 26 July 1971, as amended by Regulation (EEC) No 347/73 [7], the Commission laid down detailed rules for the application of the export levy on starch products; whereas Article 2 (1) of that Regulation provides that a levy is introduced when it is found that the import levy is at least 0·30 unit of account/100 kg less than the amount of the production refund valid in the current month and that the average of the levies in the immediately following fortnight is at least 0·30 unit of account/100 kg less than the average of the production refund valid in that fortnight;

Whereas the export levy must be equal, per 100 kg of basic product, to the difference between the production refund valid on the day on which this export levy is fixed and the average of the levies applicable on the seven days preceding the day it comes into force; whereas this difference must then be multiplied for the products mentioned in Article 1 by the coefficients relating to these products shown in column 4 of the Annex to Regulation (EEC) No 1052/68 [8], as last amended by Regulation (EEC) No 2728/71 [9] ;

Whereas the production refund on maize and common wheat intended for the manufacture of starch and quellmehl is defined in Article 1 of Regulation No 371/67/EEC;

Whereas, pursuant to Article 4 (a) of Regulation (EEC) No 1604/71 for the new Member States the amounts to be considered respectively as import levy and production refund in accordance with the preceding Articles shall be the levy and the production refund for the product in question respectively, minus the applicable compensatory amount ;

Whereas the export levy must be fixed once a week ; whereas it is altered only if application of Article 2 (2) (a) of Regulation (EEC) No 1604/71 entails an increase or a reduction of more than 0·08 unit of account/100 kg of basic product;

Whereas, if the levy system is to operate normally, levies should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas it follows from applying all these provisions to the world market price of maize and common wheat and to the import levies that an export levy should be introduced for the products listed in the Annex;

HAS ADOPTED THIS REGULATION :

*Article 1*

The export levies provided for in Article 2 (2) of Regulation No 371/67/EEC are hereby fixed as shown in the Table annexed to this Regulation for the products listed therein.

*Article 2*

This Regulation shall enter into force on 12 March 1973.
