REGULATION (EEC) No 796/73 OF THE COMMISSION

of 22 March 1973

temporarily suspending, in the new Member States, a condition to the granting of aid for skimmed milk powder processed into compound animal feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed in Brussels on 22 January 1972, and in particular Article 63 of the Act [2] annexed thereto ;

Whereas Article 4 (2) (c) of Commission Regulation (EEC) No 990/72 [3] of 15 May 1972 on detailed rules for granting aid for skimmed milk for use as feed, as amended by Regulation (EEC) No 1664/72 [4], provides that compound feedingstuffs should be packed in bags on which are printed, in particular, the month and year of manufacture ;

Whereas certain undertakings in the new Member States do not yet have at their disposal the necessary printing equipment ; whereas provision should be made for this information to be given temporarily, on a label affixed to the bag ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products ;

HAS ADOPTED THIS REGULATION :

Article 1

Until 30 September 1973, the new Member States may allow the information as to the month and year of manufacture required under Article 4 (2) (c) of Regulation (EEC) No 990/72 to be printed on a label affixed to the bag instead of on the bag itself.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*. It shall apply from 1 February 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 March 1973.

For the Commission

The President

François-Xavier ORTOLI
