REGULATION (EEC) No 930/73 OF THE COMMISSION

of 3 April 1973

temporarily suspending the application in the new Member States of certain provisions of Regulation (EEC) No 1769/72 on accompanying documents and records for products in the wine sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to the Treaty [1] concerning the Accession of new Member States to the European Economic Community and to the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular to Article 63 of the Act [2] annexed thereto ;

Whereas, since the delayed publication of the English and Danish texts of Commission Regulation (EEC) No 1769/72 [3] of 26 July 1972 drawing up accompanying documents and determining the obligations of wine producers and traders other than retailers, as last amended by Regulation (EEC) No 198/73 [4], and the time necessary for the printing and distribution of the accompanying documents in the new Member States make it impossible for the latter to introduce the system provided for in Regulation (EEC) No 1769/72 on the date envisaged, the implementation by the new Member States of certain provisions of that Regulation should be postponed until 1 September 1973 ;

Whereas it is nevertheless necessary that, until that date, wine products dispatched by a new Member State to another Member State be covered by a document giving the same information as that given by accompanying documents ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Wine ;

HAS ADOPTED THIS REGULATION :

Article 1

The system of accompanying documents provided for in Regulation (EEC) No 1769/72 shall, in respect of consignments dispatched from the territory of a new Member State, apply with effect from 1 September 1973 only.

The system of records provided for in Regulation (EEC) No 1769/72 shall in the new Member States apply with effect from 1 September 1973 only.

Article 2

Until 31 August 1973 the new Member States shall draw up, in respect of wine products dispatched from a new Member State to another Member State, a document in addition to the customs documents and giving the same information as that given by VA1, VA2, VA3 and VA4 documents.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

It shall apply from 1 April 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 3 April 1973.

For the Commission

The President

François-Xavier ORTOLI
