REGULATION (EEC) No 956/73 OF THE COUNCIL

of 26 March 1973

including other imports in the Annex to Regulation (EEC) No 109/70 establishing common rules for imports from state-trading countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 109/70 [1] of 19 December 1969 establishing common rules for imports from state-trading countries, and in particular Article 2 thereof;

Having regard to the proposal from the Commission;

Whereas quantitative restrictions on imports of a certain number of products from the People's Republic of China have been abolished by all Member States;

Whereas the extension of the Annex to Regulation (EEC) No 109/70 to include imports of such products from that country is not likely to create a situation where the application of protective measures within the meaning of Title IV of the said Regulation would be justified;

Whereas the Annex to Regulation (EEC) No 109/70 may accordingly be extended to include the imports in question, and whereas it is desirable, in order to ensure consistency between the common rules for imports from the People's Republic of China on the one hand and from the other state-trading countries on the other, to extend to the People's Republic of China the special conditions which under Annex VII to the Act concerning the Conditions of Accession and the Adjustments to the Treaties [2] apply to Ireland and the United Kingdom in respect of the same imports from other state-trading countries;

Whereas the said Annex has been amended on several occasions; whereas the Commission should be authorized for practical reasons to update it and ensure its publication;

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 109/70 is extended to include imports of the products listed in the Annex to this Regulation from the third country indicated by an 'x'.

Article 2
