REGULATION (EEC) No 100/74 OF THE COMMISSION

of 15 January 1974

fixing for the 1973/74 sugar marketing year the maximum amount of the contribution to storage costs which sugar manufacturers may require of beet and cane producers when sugar is carried forward

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 1009/67/EEC [1] of 18 December 1967 on the common organization of the market in sugar, as last amended by Regulation (EEC) No 1928/73 [2], and in particular Article 32 (4) thereof;

Whereas the elements of the calculation indicated in Regulation (EEC) No 414/73 [3] and used in 1972/73 to fix the maximum amount of the contribution towards storage costs which the sugar manufacturers may require of beet and cane producers when sugar is carried forward are still valid for fixing the amount for the 1973/74 sugar marketing year, except for a slight increase in the amount of the reimbursement of storage costs;

Whereas this increase from 0·163 to 0·174 unit of account results in a very slight amendment of the result of the calculation; whereas however it is desirable to maintain the amounts to prolong validity during the 1972/73 sugar marketing year and to prolong the said Regulation for the 1973/74 sugar marketing year;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Sole Article

In Article 1 (1) of Regulation (EEC) No 414/73 the words 'For the 1972/73 sugar marketing year' are replaced by the words 'For the 1972/73 and 1973/74 sugar marketing years'.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 January 1974.

For the Commission

The President
