REGULATION (EEC) No 1062/74 OF THE COMMISSION

of 30 April 1974

suspending the special import arrangements for calves and young bovine animals intended for fattening

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 ([1]) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 ([2]), and in particular Article 21 (2) thereof;

Whereas the prices of beef and veal on the representative markets of the Community are at present lower than the intervention price; whereas if imports to which the provisions of Article 11 of Regulation (EEC) No 805/68 apply continued to be effected at the present rate the disturbance already existing on the Community market would be considerably aggravated;

Whereas in view of this situation it is not possible to continue the special import arrangements for bovine animals intended fattening;

Whereas, subject to the measures provided for in Commission Regulation (EEC) No 1028/74 ([3]) of 29 April 1974 temporarily suspending the issue of import licences and advance fixing certificates for beef and veal, provision should be made for the special import arrangements to continue to apply in respect of importations for which import licences were issued before the entry into force of this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The application of the provisions of Article 11 (1) of Regulation (EEC) No 805/68 is hereby suspended.

Article 2

Subject to the measures provided for in Regulation (EEC) No 1028/74, the provisions of Article 11 (1) shall continue to apply in respect of importations for which import licences were issued before the entry into force of this Regulation.

Article 3

This Regulation shall enter into force on 2 May 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 April 1974.

For the Commission

The President

François-Xavier ORTOLI
