(Acts whose publication is obligatory)

REGULATION (EEC) No 1117/74 OF THE COUNCIL

of 29 April 1974

fixing the amount of aid for flax and hemp for the 1974/75 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 1308/70 (1) of 29 June 1970 on the common organization of the market in flax and hemp, as amended by the Act of Accession (2), and in particular Article 4 (3) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Having regard to the Opinion of the Economic and Social Committee;

Whereas Article 4 of Regulation (EEC) No 1308/70 provides for the annual fixing of aid for flax and hemp produced within the Community;

Whereas in accordance with Article 4 (2) of that Regulation aid shall be fixed per hectare sown and harvested so as to ensure a balance between the required volume of production within the Community and the potential outlets for that production; whereas, when that aid is fixed account must be taken of the price for flax and hemp fibres and seeds on the world market and of the price for other competing natural products;

Whereas for the 1973/74 marketing year the amount of aid for flax produced in the United Kingdom and Denmark was fixed at a level lower than that applicable in the other Member States; whereas, for the 1974/75 marketing year, pursuant to Article 95 of the Act of Accession, the difference between the amount of aid applicable in the United Kingdom and the common level should be reduced, and the amount of aid applicable in Denmark should be fixed directly at that common level,

HAS ADOPTED THIS REGULATION:

Sole Article

For the 1974/75 marketing year the aid referred to in Article 4 of Regulation (EEC) 1308/70 shall be:

(a) as regards flax:

— 92 units of account per hectare for the United Kingdom;

— 160 units of account per hectare for the other Member States;

(b) as regards hemp, 135 units of account per hectare for all Member States.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 29 April 1974.

For the Council

The President

J. ERTL
