REGULATION (EEC) No 1119/74 OF THE COUNCIL

of 29 April 1974

amending the Annex to Regulation (EEC) No 2358/71 on the common organization of the market in seeds and Regulation (EEC) No 1674/72 laying down general rules for granting and financing aid for seeds

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2358/71 [1] of 26 October 1971 on the common organization of the market in seeds, as last amended by Regulation (EEC) No 1707/73 [2], and in particular Article 3 (4) thereof;

Having regard to the proposal from the Commission;

Whereas there is at present a shortfall of proteins in the Community; whereas it is necessary to ensure a regular supply of the market in high-protein fodder legumes such as field beans;

Whereas provision should therefore be made for encouraging the production of basic seed and certified seed of field beans by granting aid; whereas, to this end, those products should be included in the Annex to Regulation (EEC) No 2358/71;

Whereas the first indent of Article 1 (1) of Council Regulation (EEC) No 1674/72 [3] of 2 August 1972 laying down general rules granting and financing aid for seeds, as last amended by Regulation (EEC) No 597/73 [4], refers to the Council Directive of 14 June 1966 [5] on the marketing of fodder plant seed and to the Council Directive of 30 June 1969 [6] on the marketing of seed of oil and fibre plants;

Whereas those Directives were last amended by the Directive of 11 December 1973 [7] and may be further amended; whereas, therefore, for practical reasons, the Directives modifying the above Directives should no longer be cited,
