REGULATION (EEC) No 1120/74 OF THE COUNCIL

of 29 April 1974

fixing the amounts of aid for seeds for the 1974/75 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to Council Regulation (EEC) No 2358/71 [1] of 26 October 1971 on the common organization of the market in seeds, as last amended by Regulation (EEC) No 1119/74 [2], and in particular Article 3 (3) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas the market situation within the Community and the foreseeable market trends with regard to certain seeds which are listed in the Annex to Regulation (EEC) No 2358/71 and which will be marketed during the 1974/75 marketing year do not ensure fair returns for the producer; whereas part of their production costs should be offset by aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 provides that, when the amounts of the aid are being fixed, account must be taken of, on the one hand, the need to ensure a balance between the volume of production required in the Community and the possible outlets for that production and, on the other hand, the price of the products concerned on external markets,

HAS ADOPTED THIS REGULATION:

Sole Article

For the 1974/75 marketing year the amounts of the aid provided for in Article 3 of Regulation (EEC) No 2358/71 shall be as shown in the Annex hereto.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 29 April 1974.

For the Council

The President

J. ERTL
