REGULATION (EEC) No 1133/74 OF THE COUNCIL

of 29 April 1974

fixing the basic price and the standard quality for slaughtered pigs for the period from 1 November 1974 to 31 October 1975

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community and in particular Article 43 thereof;

Having regard to Council Regulation No 121/67/EEC (1) of 13 June 1967 on the common organization of the market in pigmeat, as last amended by Regulation (EEC) No 1652/73 (2), and in particular Article 4 (4) thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Having regard to the Opinion of the Economic and Social Committee;

Whereas, when the basic price for slaughtered pigs is fixed, account should be taken of the objectives of the Common Agricultural Policy and of the contribution which the Community desires to make to the harmonious development of world trade; whereas the objectives of the Common Agricultural Policy are in particular to ensure a fair standard of living for the agricultural community, to ensure that supplies are available and that they reach consumers at reasonable prices;

Whereas the basic price must be fixed in accordance with the criteria laid down in Article 4 (1) of Regulation No 121/67/EEC for a standard quality defined according to Council Regulation (EEC) No 2108/70 (3) of 20 October 1970 determining the Community scale for grading pig carcases, as last amended by the Act of Accession (4);

Whereas the most representative class and categories of weight in Community production should be taken as the standard quality;

Whereas the application of these criteria results in the basic price being fixed at a level higher than that adopted for the previous period,

HAS ADOPTED THIS REGULATION:

Article 1

For the period from 1 November 1974 to 31 October 1975, the basic price for slaughtered pigs of the standard quality shall be fixed at 93 units of account per 100 kilogrammes.

Article 2

The standard quality shall be the quality for pig carcases of Class II of the Community scale for grading pig carcases laid down by Regulation (EEC) No 2108/70, excluding those carcases with a weight of less than 70 kilogrammes and those with a weight equal to or greater than 160 kilogrammes.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 29 April 1974.

For the Council

The President

J. ERTL
