REGULATION (EEC) No 1142/74 OF THE COMMISSION

of 7 May 1974

amending the Annexes to certain Regulations fixing the monetary compensatory amounts for milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71 (1) of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 3450/73 (2), and in particular Article 6 thereof;

Whereas the footnote to the section on milk products in the Annexes to the Regulations fixing the monetary compensatory amounts provides for the application of a reduced monetary compensatory amount for denatured skimmed-milk powder; whereas this reduction is justified only in intra-Community trade since aid granted for denatured skimmed-milk powder is recovered in the case of exportation to third countries;

Whereas amendment should therefore be made to note (1) to the appropriate Annexes to Commission Regulation (EEC) Nos 649/73 (3), 1469/73 (4), 2102/73 (5) and 218/74 (6), fixing the monetary compensatory amounts, as variously amended;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

'(1) In intra-Community trade, where a product is denatured in accordance with Article 2 of Regulation (EEC) No 990/72, the amount shall be reduced as follows:'.
