REGULATION (EEC) No 1162/74 OF THE COMMISSION

of 8 May 1974

concerning the sale of beef and veal held by intervention agencies at prices fixed in advance at a standard rate

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 [2], and in particular Article 7 (3) thereof;

Whereas, at present, an important feature of the Community beef and veal market is the existence of stocks built up as the result of buying-in; whereas in view of the stocks already held and of the limited capacity of the cold stores, it is not possible to continue to carry out market intervention under satisfactory conditions;

Whereas, to improve the operation of market support measures it is therefore necessary to release stocks; whereas one means of ensuring that traders can obtain supplies of meat is to enable them to purchase frozen meat at fixed prices, particularly as provided by Commission Regulation (EEC) No 1084/74 [3] of 30 April 1974 linking the importation of frozen beef and veal to the sale of meat held by the intervention agencies;

Whereas detailed rules of application for the disposal of frozen beef and veal bought in by intervention agencies were laid down by Commission Regulation (EEC) No 216/69 [4] of 4 February 1969;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. Frozen beef and veal taken over by intervention agencies before 1 April 1974 shall be put up for sale at prices fixed in advance at a standard rate [5].

2. The products, cuts and selling prices are set out in the Annex.

3. By way of derogation from Article 4 (1) of Regulation (EEC) No 216/69 the deposit shall be 500 units of account per metric ton of the product.

4. By way of derogation from Article 5 (1) 2nd sentence of Regulation (EEC) No 216/69 the day of taking over of the merchandise can only be one of the ten days following that of the acceptance of the request by the intervention agency.

5. It is indicated in the purchase contract that it gives the right to an import licence in conformity with Regulation (EEC) No 1084/74.

Article 2

This Regulation shall enter into force on 9 May 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 8 May 1974.
