REGULATION (EEC) No 1186/74 OF THE COMMISSION

of 10 May 1974

fixing additional amounts for egg products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 122/67/EEC [1] of 13 June 1967 on the common organization of the market in eggs, as last amended by the Act [2] annexed to the Treaty [3] on the Accession of new Member States to the European Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 8 (4) thereof;

Whereas if, for a given product, the free-at-frontier offer price (hereinafter called the 'offer price') falls below the sluice-gate price, the levy applicable to that product must be increased by an additional amount equal to the difference between the sluice-gate price and the offer price determined in accordance with Article 1 of Commission Regulation No 163/67/EEC [4] of 26 June 1967 on fixing the additional amount for imports of poultry-farming products from third countries, as last amended by Regulation (EEC) No 1527/73 [5];

Whereas the offer price must be determined for all imports from all third countries; whereas, however, if exports from one or more third countries are effected at abnormally low prices, lower than prices ruling for other third countries, a second offer price must be determined for exports from these other countries;

Whereas, pursuant to Article 1 of Regulation (EEC) No 990/69 [6], the levies on imports of eggs not in shell and egg yolks originating in and coming from Austria are not increased by an additional amount;

Whereas the regular review of the information serving as a basis for the determination of average offer prices for the products listed in Article 1 (1) (b) of Regulation No 122/67/EEC indicates that additional amounts corresponding to the figures shown in the Annex below should be fixed for the imports specified in that Annex;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The additional amounts provided for in Article 8 of Regulation No 122/67/EEC are hereby fixed as shown in the Annex for the products listed in Article 1 (1) of that Regulation which appear in the Annex.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 May 1974.

For the Commission

The President

François-Xavier ORTOLI
